

inn-to-inn walking holidays

inn-to-inn self-guided & inn-to-inn guided

the concept...

Inn-to-inn walking holidays allow you to walk from place to place through national parks, forests, cultural sites and local communities, progressing with your friends or family from one comfortable accommodation to the next. We've selected excellent walks and joined them together into great routes, occasionally incorporating short sections of local transport. What a sense of achievement it is to progress along a multi-day route, ticking off the miles along the way.

the most comfortable way to walk...

On **inn-to-inn** walks you only need to carry a day pack each day as the rest of your luggage will be moved ahead of you while you are out walking. At night you'll stay in comfortable accommodations, carefully chosen for their accessibility to the walking route and excellent service standards.

we'll support you along the way...

These are fully supported walking holidays. We arrange everything for you - the accommodations, meals, luggage transfers, local transport etc. All you have to do is walk!

go self-guided...

All **inn-to-inn** walks can be done **self-guided**. You walk independently, without a guide, following our planned route, using Auswalk's detailed Walk Notes and marked maps. All you need to do is form your own group of two or more people and you can choose your own start date.

self-guided walking is easy...

Route marking ("way marking") is not common in Australia, making route selection and navigation a difficult task for many people. On an Auswalk holiday however, it is easy to find your way. We supply you with detailed, easy-to-follow Walk Notes that will guide you from point to point. The notes also include information about environment, average walking times & optional side-trips. They have been tried and tested over many years. There's a sample on our website.

you don't need to be able to read a map...

We provide marked maps, but most people find the Walk Notes are adequate on their own. Anyone who can follow written directions can enjoy a **self-guided** walking holiday.

or go with a guide if you prefer...

Some of our **inn-to-inn** walks can also be done with a local guide for a slightly higher price. On these trips you also form your own group of two or more and choose your own start date. Just like the **self-guided** trips, we arrange everything for you. Choose from the Blue Mountains (pg 12), Grampians (pg 20), Great North Walk (pg 24) and Surf Coast Walk (pg 38). We also arrange privately guided holidays for solo travellers.

or try our "find a walking companion service"...

If you're a solo traveller and would like to do a **self-guided inn-to-inn** Auswalk we may be able to help - see our website.
